In Attendance:-

Councillors; M. Raymond (Chairman), J. Bailey and D. Robinson
Mrs. A. Pickering – Clerk
Mr. Church - Kirkella St. Andrews Community Primary School

At 6.30pm, the room was set up, according to the government risk assessment guidelines, by the Clerk and Cllr. Margaret Raymond. Cllrs. David Robinson & John Bailey had arrived by 6.40pm.

Apologies were sent by Cllrs. Shaun Horton and Nicola McMaster, plus Jean Harne a member of the public.

The meeting was due to begin at 7pm but the only person to arrive was Mr. Church, the Head, whom we had an informal discussion with. The Chairman drew his attention to the fact that we had given the school good publicity on the front page of our annual report. Mr. Church mentioned the concern of the parents at the moment was the traffic in the area. Regarding school numbers he said that the West Hill development was in Willerby Carr Lane catchment area and he was not sure about the proposed South Ella Way development.

Regarding the plot of land surrounded by the school, he reiterated that it was owned by a man and his only concern was the tree. Cllr. David Robinson explained that we'd had a tree expert from E.R.Y.C. to inspect it and it had been deemed safe.

Mr. Church was thanked for allowing us to use the hall.

The meeting closed at 7.15pm.
