Willerby & Kirkella, Tranby & Anlaby October 2025

Willerby & Kirkella Ward – September 2025

Tranby Ward – September 2025

Meet the team-

Your Neighbourhood Policing Team (NPT) plays a vital role in tackling many of the local issues that matter to you. They are out in your area every day, and always available to offer crime prevention advice or for you to raise concerns with.

Each NPT consists of a dedicated Sergeant, Police Constable (PCs) and Police Community Support Officers (PCSOs) all under the command of an inspector. While they may be the ones you see the most, the NPTs do not work alone. They are supported by staff and officers from across the whole Humberside Police force area, and they work closely with local authorities, community leaders and residents to decide the local policing priorities for the area and find useful, long-term solutions.

Our approach is shaped by four key themes: We protect vulnerable people and keep people safe; We are out in your communities, visible, listening and working with you to deliver the services you need; We successfully tackle crime and ASB; We will be there when you need us.

Our officers are also committed to eradicating the harm that the illegal and anti-social use of off-road bikes cause to the communities through our **Operation Yellowfin**.

Anyone who wishes to report anti-social or criminal behaviour can contact The Police on 101 or East Riding of Yorkshire Council on 01482 393939

2. Preventing Residential dwelling Burglaries

Is anybody home?

Parish/Town News Release

Always Lock your doors; even when you leave briefly, are outside on your property, or inside your home. Also, keep your valuables in a safe or lockbox when you go out.

- **Lights** - You can get plug-in timers for your lamps - and timers for your ceiling lights. Don't just light up the hall. Fool a burglar by lighting up the landing, bathroom, bedroom and living room too. Really fox him by varying the times each light comes on.
- **Sound advice** - Use a plug-in timer for a radio - make it a talk station rather than music.
- **Windows** - Remember to shut all windows, even small and upstairs ones, when you leave the house, in your garden or in the rear of your property. If you're upstairs, close your downstairs windows and if you're planning some time away, get a trusted neighbour to shut the curtains at night. You could return the favour some time!

3 Tackling Rural Crime

Rural crime is not limited to the farmyard. Serious and organised crime groups are often linked to rural and wildlife crime particularly in relation to theft of agricultural machinery and poaching like hare coursing.

Patrols are reminding farmers to review their security and to keep their properties/equipment safe. In relation to the security of Tractor GPS Receiver and Screens, please visit the Police website for crime prevention advice around MARK IT, REMOVE IT and LOCK IT.

ACTION: work with partner agencies to protect the community and detect crime, including the Rural Crime Task Force, Farm Watch, NFU and Young Farmer Clubs.

Tell Someone: do you have the missing puzzle piece?

Over the course of September, we have been running our Tell Someone campaign; a campaign centred around supporting victims of sexual offences to speak up about what happened to them.

But if you don't want to talk to us, or if you want extra support, there are lots of people who can help.

You're in control, and it's up to you who you talk to and what help you get.

You can speak to these people and organisations privately and confidentially, and unless they think someone is in serious danger, they won't share anything with us. Visit www.humberside.police.uk/police-forces/humberside-police/areas/campaigns/campaigns/tell-someone/ for details.
