Willerby & Kirkella, Tranby & Anlaby June 2025

Willerby & Kirkella Ward – May 2025

Tranby Ward – May 2025

Meet the team-

Your Neighbourhood Policing Team (NPT) plays a vital role in tackling many of the local issues that matter to you. They are out in your area every day, and always available to offer crime prevention advice or for you to raise concerns with.

Each NPT consists of a dedicated Sergeant, Police Constable (PCs) and Police Community Support Officers (PCSOs) all under the command of an inspector. While they may be the ones you see the most, the NPTs do not work alone. They are supported by staff and officers from across the whole Humberside Police force area, and they work closely with local authorities, community leaders and residents to decide the local policing priorities for the area and find useful, long-term solutions.

Our approach is shaped by four key themes: We protect vulnerable people and keep people safe; We are out in your communities, visible, listening and working with you to deliver the services you need; We successfully tackle crime and ASB; We will be there when you need us.

2. Promoting Lifestyle

Lifestyle is ready to be launched in your area.

Action: All Neighbourhood Policing Teams have received their Lifestyle packs with promotional materials and their PowerPoint (and video) to be delivered in schools and youth centres.

Lifestyle is our longest-running youth engagement event, inspiring young people since 1989 to make a positive impact in their communities through innovative, fun-filled, and inspiring projects during their summer holidays. Each year, we witness incredible dedication from young individuals who strive to improve their neighbourhoods, showcasing exceptional organization and teamwork to achieve their Lifestyle goals.

Lifestyle is open to 10–16-year-olds, either in small teams of 2-5 members or as larger youth teams representing youth clubs. This programme offers Humberside's young people the chance to fill their summer with enjoyable activities that benefit their communities. You can find out more about Lifestyle on our new dedicated website: [Humberside Police Lifestyle – Making a Difference](#), where registration will open soon.

3. Road Safety

Improving safety of our roads across the East Riding

You've no idea what's around the corner so slow down and give yourself time to react.

Be ready to meet cyclists and slow-moving vehicles when you least expect them on rural roads.

If you're out for a country drive, look out for other road users. Don't forget to "LOOK, LOOK & LOOK AGAIN" for those on two wheels.

Remember to share the road and we ask drivers to look out for Walkers, Cyclists and Horse Riders – Give them plenty of room

CYCLE SECURITY

- You should invest in quality locks. As a guide, spend at least 10% of the value of the bike. Most cycles stolen in Humberside are locked with cheap locks, which have been easily broken or cut.

There are three main type of cycle lock.

- D locks are harder to cut, but only if the metal is hardened steel.
- Chains need to be substantial, thick and made from hardened steel to provide reasonable protection.
- Wire locks and wire loops are lighter and offer less security. Braided wire is by far the strongest due to being harder to cut. Beware of thin wire locks covered by thick plastic sheaths to make them appear strong.
- You should look for locks which have been tested against attack. Check out www.soldsecure.com for certified locks.
